The Missouri Chamber Music Festival (MOCM) was formed in June 2010 by Scott Andrews, principal clarinetist of the St. Louis Symphony Orchestra, and pianist Nina Ferrigno, to educate, cultivate, promote, foster, sponsor, develop, and encourage understanding of and public interest in classical chamber music. MOCM brings nationally recognized professional musicians to St. Louis, MO to perform a series of chamber music concerts in collaboration with local artists during an annual Festival each June. Diverse programming including new and commissioned works are a defining attribute of the Festival illuminating the fine art of the small ensemble genre.
